GeroServices signs and posters visually reinforce staff learning and communicate your commitment to behavior management and culture change. Multiple posters allow you to change them periodically to convey your ongoing commitment to the program.

GeroServices offers the poster as tif files on CD, ready for you to print in the size you wish. (Large format printing is available at Kinko's and other office service resources.)

Our posters, used in conjunction with our newsletters, make it easy for you to promote your behavior management program consistently throughout your entire facility.

Features:

- Field tested: Developed through consultation with over one hundred facilities.
- Educational: Reinforces the messages and content learned through in-service training. Sends the right message to family and visitors about your commitment to behavior management and quality of life.
- Useable: Print as many posters as you like, in the size(s) you want.

Benefits:

- Save time/money: Create a reinforcing atmosphere on the unit. Save staff time in developing your program promotions from "scratch."
- Awareness: Keep your commitment to behavior management in the forefront.

This product is licensed for single facility use only. Multiple facility licenses are available at discounted rates.
